

Simplifying Technology for the Real Estate Professional

May 10, 2004 - For Immediate Release

LikeGlue Systems Offers Program Modules to Suit the Application

Washington, MI – LikeGlue Systems of Washington, MI has changed their “Business Philosophy” to meet the demands of the Brokers, the MLS Providers and the Real Estate Associations. Up to this point, LikeGlue Systems has always offered a “One Size Fits All” program. The market has spoken and LikeGlue Systems has responded with a Modular Offering which allows the various Real Estate organizations to pick and choose the System Functions that best suit their particular operations. Couple this modularity with the offering of Custom Enterprise Solutions and the LikeGlue Digital Transaction Management System offers the most versatile, competitive program on the market today.

The LikeGlue Systems Modules are:

- Enhanced Listing Management and Automated Showing System (Base System)
- Auto Fill Customized Forms and Form Libraries
- Powerful Client Logins
- Deal Tasks/Calendar
- Advertising Management and Advertising Templates
- Digital Document Management
- Third Party Control
- Customer Care Module with Closing Package CD Creation
- Enterprise Solutions for the Creative Subscriber

LikeGlue Systems has always provided cutting-edge technology Internet Based Solutions for the real estate industry. Mr. Steven L. Eaton, Technical Director of LikeGlue Systems says, “While our Company’s focus has always been to make the real estate professional’s life far easier and more productive, it was only recently that we heard from clients that they only want to use part of this powerful system. Our Marketing Department works closely with the programmers and we respond to what the customers’ desire. While it was a significant task to break the program into discrete modules, it is definitely the right way to go. We never want to charge for something that is not used. We can now offer our customers a “Basic Foundation” and let them build the program functionality to suit the individual needs.”

LikeGlue Systems will be located in Booth #1508 at the 2004 NAR Midyear Trade Expo.

We welcome you to stop by our booth to discuss our products and services
